

Learn how to save with XADAGO

Introducing the XADAGO Prescription Savings Program

Once your healthcare provider has prescribed XADAGO, the XADAGO Prescription Savings Program is here to help provide cost savings to eligible patients* - so you can get the prescription you need exactly as prescribed by your healthcare provider.

Pay as little as \$25** (save up to \$125) on your XADAGO prescription each month.

Pay as little as \$25**
(save up to \$125)
on your XADAGO prescription each month

Here's how it works

As a participant in the eVoucherRx™ Program powered by RelayHealth, US WorldMeds has made it possible to extend prescription savings on to you.

eVoucherRx is a paperless electronic coupon program that makes co-pay savings on your prescription for XADAGO easy for you and your healthcare provider.

Simply take your prescription for XADAGO to a participating pharmacy and the eVoucherRx savings coupon will be automatically applied to your co-pay.

Automatic co-pay savings at over 51,000 pharmacies.

The XADAGO Prescription Savings Program provides you with up to \$125 co-pay assistance** per month over 12 months.

Find the participating pharmacy closest to you at

XADAGO.com/pharmacy

Walgreens	Kroger	Medicine Shoppe
CVS Health	Good Neighbor	Costco
RiteAid	Safeway/Albertsons	Sam's Club
Walmart	Target	Publix

Above is a sample of the national chains that are part of the program.† To find a pharmacy near you, go to XADAGO.com/pharmacy and follow the instructions.

†Not all individual pharmacies within a chain may participate.

XADAGO Insurance Denial Program

Eligible patients who have been denied insurance coverage can pay \$60 for XADAGO at participating pharmacies.‡

Pay \$60

for your XADAGO prescription if you are denied coverage‡

Find a Participating Pharmacy for the Denial Program at

XADAGO.com/denialprogram

*Patients whose prescriptions will be paid for in part or in whole by Medicare, Medicaid, or any similar federal or state healthcare program, are not eligible for savings or rebates according to federal and state law.

**The actual savings on out-of-pocket costs for XADAGO will vary according to refill quantity, personal healthcare insurance coverage, and adherence to FDA dosing guidelines. Please review the XADAGO Prescription Savings Program Terms and Conditions to learn more.

‡Denied coverage is defined as an NDC block on the product by the health plan.

XADAGO Prescription Savings Programs Terms and Conditions

Offer applies to out-of-pocket (OOP) expenses (co-pay) greater than \$25. Out-of-pocket expenses greater than \$25 will be covered up to \$125 per prescription. If your total out-of-pocket cost exceeds \$125, you will be responsible for a \$25 co-pay plus any additional amount over \$125. If your co-pay is already \$25 or less, this offer does not apply.

People denied coverage will pay \$60 at participating pharmacies.

This offer is not valid for prescriptions paid in part or in full by any federally- or state-funded program, including but not limited to Medicaid, Medicare, Department of Veterans Affairs, Department of Defense, or Tricare, and where prohibited by law.

These savings programs cannot be used in conjunction with any other coupon, voucher, or similar offer.

Offer not extended to clubs, groups, or organizations. Participation in these programs must comply with all applicable laws.

These are not insurance programs.

Participating patients understand and agree to comply with the Terms and Conditions of this offer as set forth herein.

Any step-edits or prior authorizations required by the insurance plan still apply for the eVoucherRx program.

This offer is void where taxed, restricted, or prohibited by law.

US WorldMeds reserves the right to modify or cancel these programs at any time.

eVoucherRx and the Insurance Denial Program are not extended on prescriptions for patients:

- Who are 17 years of age or younger
- Who are cash-paying customers
- Using mail-order or institution-based pharmacies to fill their prescriptions, or who are federal or state government employees
- Who are filling their prescriptions at nonparticipating pharmacies
